BCO242

Vertical cable management - 42HE

Highlights:

- For use with SPR642 and SPR842 racks
- Possible to be shortened to fit all SPR racks

Product information:

The BCO242 is a cable management system for vertical installation in 42 unit SPR series racks. The high capacity design with large number of openings allows simple and clean cable bundling and routing. Installation can be done on both front and rear side while access can be achieved in both directions. It is constructed using both steel and plastic components.

Product Features:

Dimensions	73.58 x 3.49 x 4.33 " (W x H x D)
Unit height	42 HE
Weight	141.096 lb
