

CST352

T-bar for 2 microphones.

Product information:

CST352/B is a T-Bar that can mount 2 microphone holders. The microphone holders can be mounted on the 2 fixing screws on the edges of the T-Bar using the provided 3/8" thread adaptors. The T-Bar itself is also mounted on the stand using the 3/8" inner thread. The distance between the microphone holders is 160 mm when mounted.
