RLU30

Led rack light unit - 30 cm - warm white 3000k

Highlights:

- Warm white - 3000K
- compact size - 30cm
- 4 Watt power consumption

Product information:

The RLU30 IS a very compact light source that can easily be mounted in the back of a rack built for a clear overview while installing or maintaining the installation. The light source is implemented in a T5, 30 cm LED enclosure that will provide an energy efficient and omnidirectional spread of 3000K warm light. Equipped with a power in- and output makes it possible to connect multiple RLU30 light sources in a chain (power connection cables included).

Product Features:

Power handling	250 V AC ~ 0.016 A / 4 W
